

Cementing System

Functions and Benefits

- ✦ **Adjustment of setting time**
- ✦ **Adjustment of density**
- ✦ **Improvement of compressive strength**
- ✦ **Improvement of fluid rheology property and reduction of fluid loss**
- ✦ **Forming control**
- ✦ **Migration control**
- ✦ **Reduction of cementing quantity and thus cost**

Product Classification

Fluid Loss Control Series

1. **Retarder Series**
2. **Early Strength Series**
3. **Expanding Series**
4. **Weighing Agent**
5. **Deformer**
6. **Cleaner**
7. **Strength Accelerator**
8. **Friction Reducer**
9. **Rheology Controller**
